**PTC PUB:** The Peachtree City PUB Event is a family-friendly airport cookout with fun for the kids and planes to keep the pilots happy. Food and refreshments provided. Wednesday June 19, 2013, 5:30PM, Falcon Field FBO Ramp Peachtree City ([See Map](#)). RSVP: [www.deltapilotnetwork.org](http://www.deltapilotnetwork.org).

**Pilot-to-Pilot Training:** P2P training will be held in Atlanta at the Delta MEC offices on Thursday June 20th. These volunteers help bring the line pilot's perspective to their elected representatives. Contact: [DALP2P@alpa.org](mailto:DALP2P@alpa.org). Transportation, lodging, and meals are provided, but not flight pay loss.

**Study Break PUB:** Training? Take a break and socialize with negotiators, reps, committee chairs, and ALPA officers. Find out what's going on; ask your questions. Food and drinks provided. Wednesday, June 26th, 6:30-8:30PM, Holiday Inn and Suites ATL Airport.

**Verify A Sick Call?** Contract Admin wants information on sick call verification since June 1. We need: Who, what, and when - and the outcome. E-mail [DALContractQuestions@alpa.org](mailto:DALContractQuestions@alpa.org) or call 1-800-USA-ALPA and ask for Contract Admin. Need info? **Delta Health Rewards Credit Deadline:** September 30<sup>th</sup> is the deadline to receive credits under the Delta Health Rewards Program. See the "My Self Service" page on DeltaNet. If you were an active pilot on 3/31/2013 or will be on 9/30/2013, you will automatically receive Delta Health Rewards points for an annual physical exam. For inactive pilots and spouses, take a Provider Notification Form to your annual physical exam and ask the provider to complete and return it (available on DeltaNet>Employee Connection>Benefit Forms). Tobacco users, wanting to quit, can enroll in the Delta Health Direct quit tobacco program ASAP to meet the September 30 deadline.

**Draw The Line Here:** ALPA has launched an informational web site as part of a collaborative educational campaign on the Abu Dhabi Customs and Border Protection Facility proposal. Airlines for America, Airports Council International, Consumer Travel Alliance, Global Business Travel Association, the Regional Airline Association and ALPA are raising awareness in hopes of blocking funding for the facility. Share it: <http://www.alpa.org/portals/alpa/drawthelinehere/>

**The Fight is (Still) On: FFDO Funding and Abu Dhabi:** Thanks to thousands of ALPA pilot partisans, ALPA-PAC, and the efforts of ALPA's Aviation Security Committee, pilot volunteers, and Government Affairs staff, the House of Representatives approved a Homeland Security Appropriations bill that included two amendments: funding for the FFDO program for fiscal year 2014 and blocking taxpayer funding of the Abu Dhabi Pre-Clearance Facility. Our [efforts on the Hill are paying off](#). There are three active [Calls To Action](#). We must [continue to tell Congress about our issues](#) as we now focus on the Senate.

**Report Jumpseat Issues:** Please submit JSAP and/or FCR reports for jumpseat issues. For issues on Delta or DCI submit both a JSAP and an FCR. For issues with other airlines, please only file a JSAP

report. The JSAP report form is on the DAL MEC website, Jumpseat Committee page. Pilots may contact the committee at [DALMECjumpseat@alpa.org](mailto:DALMECjumpseat@alpa.org).
