Expand *Your* Team: The Delta pilots are your team, help us build it. The Pilot Unity Building (PUB) program is in high gear. Its goal? Mix line pilots (and sometimes families) with the pilots working for us every day: negotiators, contract admin, reps, scheduling, officers, and more.

- Peachtree City PUB - June 19th. www.deltapilotnetwork.org
- Study Break PUB - 30 pilots relaxed last week in the training hotel with the MEC chairman, a negotiator, R&I, Comm, and Contract Admin chairs, and a C44 captain rep. More to come - regularly.
- Layover PUB - This week we brought a negotiator, strategic planning, comm, contract admin and C44 and C66 reps to the downtown hotel in ATL, where 68 pilots were laying over. These events are going nationwide to the highest density layover hotels.

Expand *Our* Team: [Volunteer for Pilot To Pilot \(P2P\)](#) and get in the know. This week P2P hosted a conference call for their volunteers featuring negotiators and the MEC administration, trained new volunteers via webinar, and presented another webinar from the Codeshare Committee, Strategic Planning, and International Affairs and Alliances.

Quarterly CQ Deadline and Survey: 2nd quarter QCQ training is due on May 31. Please complete the survey after training. Your feedback is important in the continuous improvement of QCQ training.

AA Jumpseat Change: <http://www.myIDTravel.com/myIDLListing> is the new American JS listing website. The user is "DLStaff," the password is "006." The current Listing Tool from ID90.com will be valid until June 4. See [MEC Alert 13-07](#). Contact the [Delta MEC Jumpseat Committee](#) with any questions.

FFDO Funding Cut Proposed: [Tell Congress to maintain FFDO Funding](#). The President's FY2014 budget proposal cuts *all* funding for the program. ALPA is fighting this issue and others: there are three active [Calls To Action](#). All Delta pilots need to take a few minutes to complete them. Please encourage your non-ALPA peers, families, and friends to use [POPVOX](#) on this and ALPA's other Calls-to-Action.

FAA-Sponsored Stall Study: Pilot volunteers are needed for an FAA-sponsored 737NG simulator stall study in OKC, July 8-26, weekdays only: One four-hour sim period per volunteer, \$550 compensation. POC Mr. Jeard Ballew, Cherokee CRC LLC, (918) 457-7785 or jeard.ballew@cherokee-crc.com.

Delta MEC Office Hours: The Delta MEC Office will be closed Monday, May 27 for the Memorial Day Holiday. A Scheduling consultant or coordinator will be available Monday from 9AM-5PM at 1-800-USA-ALPA.

PilotBlast Text Subscription: If you have change categories or phone numbers your PilotBlast subscription must be updated. To subscribe or update [click here](#); or use the permanent link with the PilotBlast icon, below.
