- **FFDO Funding Cut Proposed**
- **Council Bypass**
- **Peachtree City PUB**
- **Upcoming Council Meetings**

FFDO Funding Cut Proposed: [Tell Congress to maintain FFDO Funding](#). The President’s FY2014 budget proposal cuts *all* funding for the program. ALPA is fighting this issue and others. There are three active [Calls To Action](#). All Delta pilots need to take a few minutes to complete them.

Council Bypass: Following an Advanced Entitlement many pilots change bases and therefore their ALPA affiliation could change. As per the Delta MEC policy manual, council affiliation is normally determined by a pilot’s base. A member may affiliate with a council at his base or with the council nearest his company home of record (council bypass). If the member is a seniority list instructor then his default affiliation will be with the council that matches his status (i.e. council 48). If you wish to bypass or have any questions please contact Delta MEC Secretary Kevin Guilfoyle at kevin.guilfoyle@alpa.org or contact your local LEC representative for assistance.

Peachtree City PUB: Come out and play! Wed. June 19th kicks off the 2013 Pilot Unity Building (PUB) program with a family-friendly event at Falcon Field in Peachtree City, GA. Food, fun, refreshments, games, and planes. More PUBs to follow. Details & RSVP @ deltapilotnetwork.org.

Upcoming Council Meetings:

- Council 81: Monday, May 13, 10AM - 2PM, SLC Airport, Jazz Room, between concourses C & D.
