Air Line Pilot Magazine Content: Ever wonder why certain articles are included in our industry magazine? 80,000 copies are distributed; not only to pilots, but also every congressman, senator, government agency, and company that should hear your point of view on aviation issues.

Phone Polling Ongoing: MEC polling by the University of New Hampshire Survey Research Center will begin October 26. The caller ID will display "NH Call," "UNH Call," and/or a 603 area code. Participation is confidential. This is a scientific, statistically valid, random survey of every pilot demographic. If you get the call, please take the time to be heard.

Pro Stan 24/7: The Professional Standards Committee has a toll-free phone number, with a 24-hour answering service, to quickly connect you to a Professional Standards Committee volunteer, 800-388-1628. All volunteers are trained and qualified to work cases from any base or equipment category.

Upcoming Council Meetings:

Council 44, Friday, November 1, 1pm - 4pm, Hilton Garden Inn Atlanta Airport North
Council 20, Monday, November 11, noon - 3pm, McNamara Terminal, DTW, Crew Lounge
