SEA MEC Meeting: The MEC is meeting in SEA Aug 13-16, Renaissance Seattle Hotel, 515 Madison Street. Pilots are always welcome. Open speaking time is allotted on Wednesday, August 14, 12-12:30PM. Contact your LEC representative if you wish to address the MEC at this time.

Strat Planning Update: Ex-Im Bank Chairman Fred Hochberg reported July 29, 2013, in the Chairman's Quarterly report, that aircraft financing to foreign countries is declining. ALPA and Delta's joint lawsuit is helping remove this government sponsored subsidy that is hurting our careers.

Scholarship Opportunities: Air Line Pilots Association annually grants a four-year (renewable based on academic standing) college scholarship of \$3,000. In addition, \$2,000 is authorized for scholarship funding to augment the four regular awards or to establish one or two special one year awards. To be eligible for the ALPA scholarship program an applicant must be the dependent of a medically retired, long term disabled, or deceased ALPA member. Applicants may be currently enrolled college students. Applications accepted January 2014 - April 1, 2014. Required forms are available from Maggie Erzen, Governing Bodies Coordinator, Maggie.erzen@alpa.org.

iALPA Update: Recently the folder structure for iALPA was updated to reflect user preferences. If you previously downloaded the older folder version, it will no longer connect and it will be necessary to delete and reload the new format to your tablet. Pilot feedback has helped in refining this product. iALPA download instructions can be found on the [Communications page](#) of the Delta MEC website.

Report Jumpseat Issues: Please submit JSAP and/or FCR reports for jumpseat issues. For issues on Delta or DCI submit both a JSAP and an FCR. For issues with other airlines, please only file a JSAP report. The JSAP report form is on the DAL MEC website, [Jumpseat Committee](#) page. Pilots may contact the committee at DALMECjumpseat@alpa.org.

Pilot to Pilot (P2P) Training Opportunities: This is your chance to get involved with ALPA and help your fellow pilots. Please contact Steve Rose at dalp2p@alpa.org for more details.
